Mission Statement

Our mission is to develop strong female leaders who embody and uphold the values of the Aggie Royals and Texas A&M through our three pillars.

As President and Vice President, we oversee the officer panel as well as general members. We also facilitate general meetings and officer meetings throughout the year and work diligently to make sure every member has the best experience possible and grows in all areas of life!

Who We Are

Aggie Royals is a women's organization that strives to unify women on the Texas A&M campus by displaying our three pillars of service, commitment, and integrity. We aim to uplift and inspire every member through a number of service and leadership opportunities in support of our philanthropy, Soldier's Angels.

Our goal is to give each member the confidence, skill set, and interpersonal network connections to excel in their future career endeavors.

The Time Commitment

Bi- Weekly General Meetings & Committee Meetings

General Meetings are every other **Tuesday from 7 - 8 PM** and are located in the MSC.

All other Tuesdays are reserved for committee meetings or optional events that our officers have planned!

Elective Events vs Required Events

Elective events are the events that will help you fulfill your points for each semester. These events include any sisterhood, service, and philanthropy events.

Required events for Aggie Royals are New Member Celebration, Sisterhood Retreat, bake sale, Picture Day, helping with committee tasks, and our philanthropy event, Sing for Soldiers.
